3. Rovers FC Family Discount Policy – Claim BEFORE Registering

All families (defined as 'one or two parents/legal guardians and their dependent children') with three or more players registering to play with Rovers may receive a \$30 Family Discount per senior player if all the players register by the 2/2/2026.

Dependent children must be born in 2007 or later. In cases that do not fit these general criteria, the Rovers Committee will consider approving the Family Discount on a case-by-case basis.

Note that players claiming a 'Life Member Discount' may not claim the Family Discount for themselves. However, they may be counted as part of a family to allow the other family members to claim their Family Discount.

Please send your application for the Family Discount (or any other enquiries) by email to the Rovers Registrar Joseph Parsons: registrar@roversfc.com.au BEFORE you commence registering any family members. The email **MUST** include the full names (including surnames) of the family members playing for the Rovers in 2026.

4. Payment - Family Discount Vouchers must be claimed BEFORE you complete the online registration process. We only accept online payments. Please have your credit/debit card ready to finish your online registration after this date.

6. School-Age Children? If you are registering school-age children, please have your [Active Kids Voucher](#) ready to redeem as part payment when finalising your registration.
